

The Intersection Between Nutrition and Fracture Care

Presented by the Slocum Research & Education Foundation in joint providership with
Oregon Health & Science University School of Medicine
Saturday, December 4, 2021
8:00a – 12:30p

Technology Readiness & Webinar Format

1. Preparing for the Webinar

If you haven't **downloaded Zoom**, please do so in advance.

- iOS devices: Download the Zoom app. Visit the App Store, and select Zoom.
- Android devices: Tap on the Google Play store icon.
- Desktop PC users: Visit www.zoom.us and click "download" at the bottom of the page.

Download exam hand-outs, presentations, and all course materials in advance at:

www.slocumfoundation.org/29ortho

- #### 2. To join the webinar
- click on the link provided in your email. The link is provided to the email used to register for the webinar. Alternatively, you can always visit www.zoom.us and click on the "Join a Meeting" link at the top right of your screen. Enter in the meeting ID number and password. When prompted, enter:

- Email address
- First & last name

Your attendance (including duration of meeting time) is used to issue CME/CEU credit. The webinar content will begin promptly at 8:00AM. We encourage you to have your hand-out organized (on paper or electronically) and coffee in hand a few minutes early.

Tip: Can't hear? Make sure the volume is turned up on your device at home. You may need to adjust your own speaker volume.

3. Webinar Format

- You will enter to a rotating slide set containing important information about the webinar
- Your video and audio will be disabled for this webinar
- Please use the "Q&A" button at the bottom of your screen to ask the presenter/host a question
- If you have a technical question or issue, please use the "raise your hand" icon and a technical team will chat with you privately to help resolve the issue.
- If your technical issue cannot be addressed through the chat, please email us at sref@slocumfoundation.org

4. Break Schedule

- Break 10:45a – 11:00a

5. Course Evaluation

The link to complete the course evaluation will automatically be displayed at the end of the webinar. You can also access the course evaluation from the conference materials website.

Access Conference Materials: www.slocumfoundation.org/29ortho
